Resource list created by:

Heather Fairlee Denbrough, LICSW

Registered Play Therapist Supervisor

Certified Synergetic Play Therapy Supervisor

About Heather & Playful Integration:

Heather Fairlee Denbrough (she/her/hers) is a Licensed Independent Clinical Social Worker, Registered Play Therapist Supervisor, and Certified Synergetic Play Therapy Supervisor with more than a decade of play experience. Her specialty areas are: young children and early childhood, developmental trauma, attachment issues, parent-child relational problems, suicidal ideation in young children, Synergetic Play Therapy, the nervous system and its role in therapy, parent reflective work/inner work, and reflective supervision.

Playful Integration exists to provide resources and more to play therapists and other folks who benefit from looking at the world from the lens of play therapy, with a special emphasis on

building confidence in folks working with children. Through Playful Integration, Heather offers play therapy consultation, workshops, and practical, supportive products.
